A grade of **PASS** for the defense of thesis, treatise or dissertation requires at least a majority approval of the committee. Individual departments may impose stricter requirements for what constitutes a grade of **PASS**. Departments and other degree-granting programs must publicize their policy on this issue in their Graduate Student Handbook and in the relevant section of the Graduate Bulletin. If the student passes, each member must sign the Manuscript Signature Form to substantiate the results of the defense. It is the responsibility of the major professor to submit this completed form either directly to the Clearance Advisor or to the appropriate college or departmental office for subsequent delivery to the Clearance Advisor in The Graduate School. The degree cannot be awarded until this form has been received by The Graduate School and the final version of the manuscript has been submitted to and approved by the Clearance Advisor.
